MONARCH[®]

VIE FOR THE CROWN!

Set in the mythical lands of Minervia, MONARCH is a strategy game for 3 to 4 players. As daughters of the queen, players compete for the crown by strategically assembling an impressive court to prove themselves ready to become the next monarch. Choose strategies that will bring prosperity to the fertile lands and glory to your majestic court. Defend the realm from threats and famine. There are many paths to choose from, but only the most worthy sister will become heir to the throne. Who will reign?

- Engaging art and unique gameplay
- Easy-to-learn strategy
- All-female protagonists
- Competitive and collaborative elements
